

Autumn 2018 / Winter 2019

Dear members and friends,

we are continuing our regular events this season and have also arranged for David Davies to return with a new one-man show about Sherlock Holmes in December.

Please be aware that we are making the Christmas puddings on a Stir-up Sunday this year and we are returning to the Jugendgästehaus on Kaulberg for the Christmas Dinner. The Talk with the VHS is taking place in November this semester and will take us to Syria. It will be held both in English and German. There will however be another talk with ample opportunity for discussion (only in English) about the Soil Association and organic farming. Most of the Club events take place in the Schutzgemeinschaft Alt Bamberg, Schillerplatz 9 unless otherwise stated.

The Soil Association is the UK's leading membership charity campaigning for healthy, humane and sustainable food, farming and land use. During my 8 years at the Soil Association I was transformed from an organic sceptic to living organic in my everyday life. I want to share this journey with you, to share with you the organic principles and the pioneering campaign work the Soil Association does, working to protect our world and to make good food available to all in everyday life.
