

Winter 2023/24

Dear members and friends,

due to popular demand we are continuing our 'Tasting' series with a whiskey evening. We can accommodate a maximum of 20 tasters, so please reserve quickly by sending an email to us.

Many of you have missed singing English Christmas carols over the last few years, so we are reviving the carol service.

We are scheduling regular events on both Wednesdays and Thursdays. All members now receive a reminder via email and notifications of any last minute alterations to the programme. If for any reason you are not receiving these and would like to, please send us an email at DECB@gmx.de. Correspondingly, if you are receiving them and find them a nuisance, please let us know.

We wish you all good health and look forward to seeing you soon.

Talk in English by Wafeeqa Wahid, B.Eng "My journey to Women in Tech"

Once upon a time, there was an adventurous Indian, born and raised in Saudi Arabia. After studying at a university in India, she embarked on a new journey, getting married and moving to Malaysia. Life had exciting twists for her, as she then became a new mother in Germany. Each chapter of her life unfolded in a different country.

As she interacted with the neighborhood kids, fate led her to a fantastic opportunity—her current job at "Women In Tech," a global initiative empowering girls in STEM fields. This experience lead her to building the Mentorship platform and an Academy which aims to create a sense of sisterhood as it taught her to embrace and celebrate differences. Today, she's here to share her inspiring journey, showing us all how personal challenges can be transformed into something truly beautiful, making a positive difference in the world.
